We can skip gifts for each other like we have the last few years.

Mom said you are planning on spending Sunday night at their house. Is that still the plan? I'm trying to figure out how to hit both houses in one day.

OK, we'll do the separate gift thing this year. Are we getting anything for each other, or doing it like we have the last few years?

Thanks for the photo directions.

Opening presents and eating good food.

I'm guessing that's not what you were asking though. I honestly don't know about a big gift idea for mom and dad. I have ideas for each of them, so if you want to just do separate gifts this year, I'm good with that. I know mom has ideas for here and dad if you need them.

Also, I emailed your Comcast account directions to see my wedding photos from the photographer.

What are we doing for x-mas?
